Probationary Employment Agreement

This Employment Agreement (“Agreement”) is made effective as of _____, by and between Bayshore Plumbers (“Employer”), and _____ (“Employee”), residing at _____.

1. Position and Duties

The Employer hereby employs the Employee in the position of _____. The Employee agrees to diligently, faithfully, and competently perform all duties and responsibilities associated with this position in accordance with the Employer’s standards, policies, and directives.

2. Probationary Period

The Employee agrees to a probationary period of thirty (30) days, commencing on the effective date of this Agreement. During and after this probationary period, the Employer reserves the right to terminate the Employee's employment at any time, with or without cause, and without prior notice. The Employee will receive feedback and performance evaluations during this 30-day probationary period to assess suitability for continued employment.

3. Employment Terms

Upon successful completion of the probationary period, the employment relationship shall continue as an “at-will” basis. Both the Employer and the Employee may terminate the employment relationship at any time, with or without cause or prior notice, in accordance with California law. However, the **Employee may not cease reporting to work or fail to fulfill work obligations without prior approval from the Employer’s General Manager.**

If the General Manager requires the Employee to complete assigned or pending jobs prior to separation, the Employee must fulfill these obligations before leaving employment, unless otherwise determined by the General Manager. The General Manager’s decision will consider customer preferences and the practicality of reassigning work to other employees.

4. Work Schedule

The Employee agrees to work a regular schedule of forty (40) hours per week, from 7:00 AM to 3:30 PM, Monday through Friday. The Employee may also be required to be on call for emergency services during weekends as per a rotational schedule.

While in the field, the Employee is responsible for managing their own breaks and meal periods in compliance with company policies and applicable California labor laws. Breaks should be planned in accordance with the workload and the number of service calls assigned.

5. Confidentiality

The Employee acknowledges that, in the course of employment, they will have access to proprietary information, trade secrets, and other confidential information of the Employer. The Employee agrees not to disclose, use, or disseminate such confidential information, directly or indirectly, for personal gain or to the detriment of the Employer, during or after the term of employment.

6. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. Any disputes arising from this Agreement shall be resolved in the jurisdiction of the state or federal courts located in California.

7. Entire Agreement

This Agreement represents the entire understanding between the Employer and the Employee regarding the terms of employment. It supersedes all prior agreements, representations, or understandings, whether written or oral, related to the subject matter herein.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written (sign below).
